Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative, Ms. Koempel-Thomas, explained the difference between the term "multi-sense" in claim 1 of application and the term "multi-term" in the cited reference based on semantic relationship. The examiner had explained how figures 5A and 6 are mapped to this point of views. Also, examiner explained figure 7 reached the terms "high frequencies" and "low frequencies" that Applicant's representative argued. No agreement was reached. Further search and consideration are required upon receiving official response .
